### Rent-to-Own (RtO) Program (2018-09-13)

LifeguardDepot.com is pleased to offer a Rent-to-Own (RtO) program for Dolphin Surf Craft. This program presents renters/athletes with the opportunity to utilize craft at a reasonable rate per season; you will take full ownership on the day you pick up your craft and pay for it over three years. This program may be suitable for those individuals who are interested in owning craft and are unable to pay the full amount upfront.

#### What you need to know:

1. The renter/athlete will be allowed to select their craft of choice in commencing this Rent-to-Own program. This craft may be new, or from a used selection (if available). This will be their craft of choice, they will fully own it and cannot return it.
2. All craft will be released with a fin and rubber stopper for surf ski (if applicable). The RtO program does not include accessory items such as paddles, car fasteners and board wax. The renter may choose to add Board Covers, Paddles, etc. to their RtO agreement à-la-carte.
3. The most affordable shipping method to the renter/athlete within Canada will be added. Please confirm your shipping charges upon signing agreement.
4. The RtO program operates on a calendar year; contract commencement date will not determine the subsequent payment schedule. Annual RtO charge will be processed on January 15 of year 2 and 3. First payment is due on date of purchase/signing.
